

Beyond Jobs

Build a brighter future for you and your family.

Walmart 

Goodwill® is committed to helping single mothers by providing a holistic integration of career services with family and financial strengthening services. The Beyond Jobs program is funded by the Walmart Foundation and administered by Goodwill Industries®.

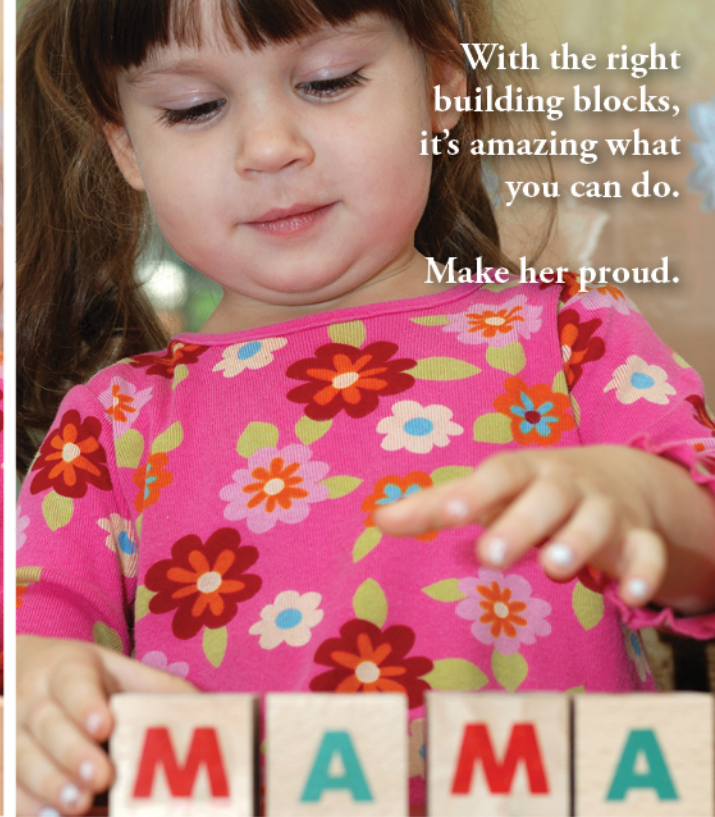

As a single mother, you make tough choices every day.

Through the Beyond Jobs program, Goodwill Industries and the Walmart Foundation provide tools to help advance your career and achieve a brighter financial future for you and your family. Because, we know, you need more than just a job to be successful.

With the right
building blocks,
it's amazing what
you can do.

Make her proud.

The Beyond Jobs program is more than job placement.

As a program participant, you will receive:

- A complete career assessment
- Individualized career planning
- Job skills training
- Financial education
- Family strengthening services
- Job placement and retention services
- Assistance with early education and child care
- Connections to healthy food and nutrition initiatives
- Post-placement support through counseling, training and family support
